State of Wisconsin

Gary L. Pisoni

certify that on the 26th day

of July 19.94 I found

evidence of the South Quarter

corner of Section 11

Township......36......, North, Range

14 East...., Fourth Principal Meridian,

as described hereon; and that from this evidence

I established a new monument and accessories

as described hereon to perpetuate the original

.....do hereby

County of Forest

location of this corner.

= Corner monument restored.

Resident witnesses:

History of original corner establishment:

Original Government Survey in 1959 by James McBride, deputy surveyor. West corrected between Sections 11 and 14 at 40.05 chains, set Quarter Section post from which the following bear: Hemlock, 7", S 46 E, 17 lks, Sugar, 14", N 53 W, 19 lks.

Description of corner evidence found:

No original corner evidence found.

I re-established the corner position at proportionate distances and on line between the Southeast and Southwest Section Corners of Section 11.

Description of monument and accessories I established to perpetuate the original location of this corner.

At the corner postion, marked by a large rock, chiseled an 'X' on side of large rock and set a 2½" x 36" witness corner aluminum pipe monument with an aluminum cap stamped; T36N, R14E, Witness Corner, 1/4, S.11, S.14, S 89°52.8'W, 1.70', 1994, S-1634; from which the new blazed and scribed bearing trees bear: (all measurements taken to a nail in side of tree and all measurements are to the chiseled 'X' in large rock as the 1/4 corner)
