Signature Kohn Surveyor, Registered Land Surveyor, or other duly authorized official)

Registration No.S-1665

(County Surveyor, Registered Land Surveyor, or other duly authorized official) Office of Register of Deeds, County of Forest , I hereby certify that the within instrument was filed in this office for record on the 2nd day of February , 1988 at 9,40 o'clock A. M.

(e) Describe any material discrepancy between the location of the corner as restored or reestablished and the location of that corner as previously restored or reestablished by distance and direction. Show the discrepancy on the plan view drawing under (d), above. Show the distances between the corner as previously restored or reestablished and (1) the corner as restored or reestablished, and (2) to at least 2 of the witness monuments shown on the drawing in (d), above.

No discrepancy.

(r) was the corner restored through acceptance of (1) an obliterated evidence location, or, (2) a found perpetuated location?

The corner restored through acceptance of an obliterated evidence location.

(gkh) was the corner reestablished through lost corner proportionate methods? If so, show the method, including the directions and distances to other public land survey corners used asevidence or used for proportioning in determining the corner location? 11" WHITE BIRCH N43°E 236.98 FT.
