Describe any material discrepancy between the location of the corner as restored or reestablished and the location of that corner as previously restored or reestablished by distance and direction. Show the discrepancy on the plan view drawing under (d), above. Show the distances between the corner as previously restored or reestablished and (1) the corner as restored or reestablished, and (2) to at least 2 of the witness monuments shown on the drawing in (d), above.

None

(r) was the corner restored through acceptance of (1) an obliterated evidence location, or, (2) a found perpetuated location?

Restored through acceptance of a found perpetuated location.

(gain) was the corner reestablished through lost corner proportionate methods? If so, show the method, including the directions and distances to other public land survey corners used as evidence or used for proportioning in determining the corner location?

No

Gary L. Pisoni

O = Corner monument restored.

History of original corner establishment:

Original Government Survey in 1858 by Alfred Millard. West between Sections 1 and 36, 80.00 chains, set section corner post, to Sections 1, 2, 35, and 36. From which the following bear:

| Sugar | 12" | N55°W | 50 1ks. |
|-------|-----|---------|---------|
| Elm | 9" | N 2°E ' | 13 1ks. |
| Sugar | 12" | S55°W | 27 1ks. |
| Sugar | 12" | S40°E | 25 1ks. |

Description of corner evidence found:

No original corner evidence was recovered.

Found a $2\frac{1}{2}$ " diameter aluminum pipe monument stamped: T38N R14E, S1, S2, S35, S36, T37N, S-1394, Forest County. From which the following bear:

| Maple | 18" | N54°E | 91.85 | feet |
|-------|-----|-------|-------|------|
| Maple | 14" | N74°W | 17.14 | feet |

This monument was set in place of a $1\frac{1}{2}$ " dia. iron pipe, which fit the measurements as shown on the State Hwy Division Job #7115, dated 9/2/47. This position also fits the measurements as shown on the Chicago-Northwestern Railway Plan. Description of monument and accessories I established to perpetuate the original location of this corner.

Blazed and scribed a new bearing tree:

| Maple | | 5" | S35°E | 67.75 | feet |
|-------|------|------|-------|-------|------|
| Steel | sign | post | West | 0.50 | feet |
