U.S. PUBLIC LAND SURVEY MONUMENT RECORD

Index No. T-13

State of Wisconsin }
County of Forest } ss.

I, William B. Cochrane, do hereby
certify that on the 22nd day
of August, 1991, I found
evidence of the West Quarter
corner of Section 27
Township 40 North, Range
13 East, Fourth Principal Meridian,
as described hereon; and that from this evidence
I established a new monument and accessories
as described hereon to perpetuate the original
location of this corner.

Resident witnesses:

○ = Corner monument restored.

History of original corner establishment:

Original Government Survey in 1865 by William E. Daugherty. North between
Sections 27 and 28, at 40.00 chains, set Quarter Section Post, from which the
following bear:

Hemlock	20"	S51°W	24 lks.
Birch	18"	N09°E	25 lks.

Description of corner evidence found:

Found a 1/2" diameter iron rod in a mound of stone.

Location post with tag on road to West.

Nonoriginal corner evidence was recovered,

I accept the iron rod as the best available evidence for restoring the corner position.

Description of monument and accessories I established to perpetuate the original location of this corner.

In place of iron rod, set a 2 1/2 inch diameter aluminum pipe monument, 3 feet long,
2 1/2 feet in the ground, with an aluminum cap stamped; T40N R13E, 1/4, S27, S28,
1991, S-1107. From which the following new blazed and scribed bearing trees bear;

Maple	11"	S16°E	19.24 feet
Maple	8"	N59°W	12.04 feet
Steel Sign Post		East	0.50 feet

Dated at Hiles, Wis., this 19th day of February, 1992.

Signature William B. Cochrane Title Land Surveyor Registration No. S-1107
(County Surveyor, Registered Land Surveyor, or other duly authorized official)

Office of Register of Deeds, County of Forest, I hereby certify that the within
instrument was filed in this office for record on the 31st day of August, 1992
at 10:15 o'clock P. M.

Paul Aschenbrenner

(e) Describe any material discrepancy between the location of the corner as restored or reestablished and the location of that corner as previously restored or reestablished by distance and direction. Show the discrepancy on the plan view drawing under (d), above. Show the distances between the corner as previously restored or reestablished and (1) the corner as restored or reestablished, and (2) to at least 2 of the witness monuments shown on the drawing in (d), above.

(f) Was the corner restored through acceptance of (1) an obliterated evidence location, or, (2) a found perpetuated location?

Restored from accepted evidence.

(g&h) Was the corner reestablished through lost corner proportionate methods? If so, show the method, including the directions and distances to other public land survey corners used as evidence or used for proportioning in determining the corner location?

8" Maple (New BT)
N59°W, 12.04 feet

11" Maple (New BT)
S16°E, 19.24 feet

(i) I, William B. Cochrane
(type or print name) certify that the corner location shown on this record was determined by me or under my direction and control and that this U.S. Public Land Survey Monument Record is correct and complete to the best of my knowledge and belief.
