## U.S. PUBLIC LAND SURVEY MONUMENT RECORD

History of original corner establishment:

Original corner established by James L Nowlin, gov. deputy surveyor, in 1865 from which Hemlock 12" bears S8 E 20 links and White Pine 15" bears N5 W 30 links.

Description of corner evidence found:

Recovered an old 2" diameter iron pipe in intersection of fence corner running south and east.

Adjoining land owner, Paul Noricka, witnessed this position for the corner, shown to him by his father years ago.

Description of monument and accessories I established to perpetuate the original location of this corner.

Replaced old iron pipe with a 2-1/2" A-1 aluminum Forest County monument. Alloy cap stamped:

Monument projects 8" above ground. Set four (4) 1"x30" iron pipe for reference monuments as shown on reverse side.
