(b)(f)(g)(h) Description of monument found at this corner and if it was accepted, state all evidence (material, testimonial, occupational, plats, records, other monuments) used as a basis for accepting. If not accepted or if nothing was found, state evidence used as basis for establishing location. If re-established through lost corner proportionate methods, indicate all monuments, distances and directions used to establish. Indicate type of monument and sign post found or set.

This is a perpetuation of a previous USPLS Monument Record by Raymond J. Hallisy, RLS dated July 27, 1968 and filed in the office of the Langlade County Surveyor. A complete history of the corner can be found on the previous monument record. I accept the previous location as a true and faithful perpetuation or reestablishment of the original corner location and further perpetuate it as follows.

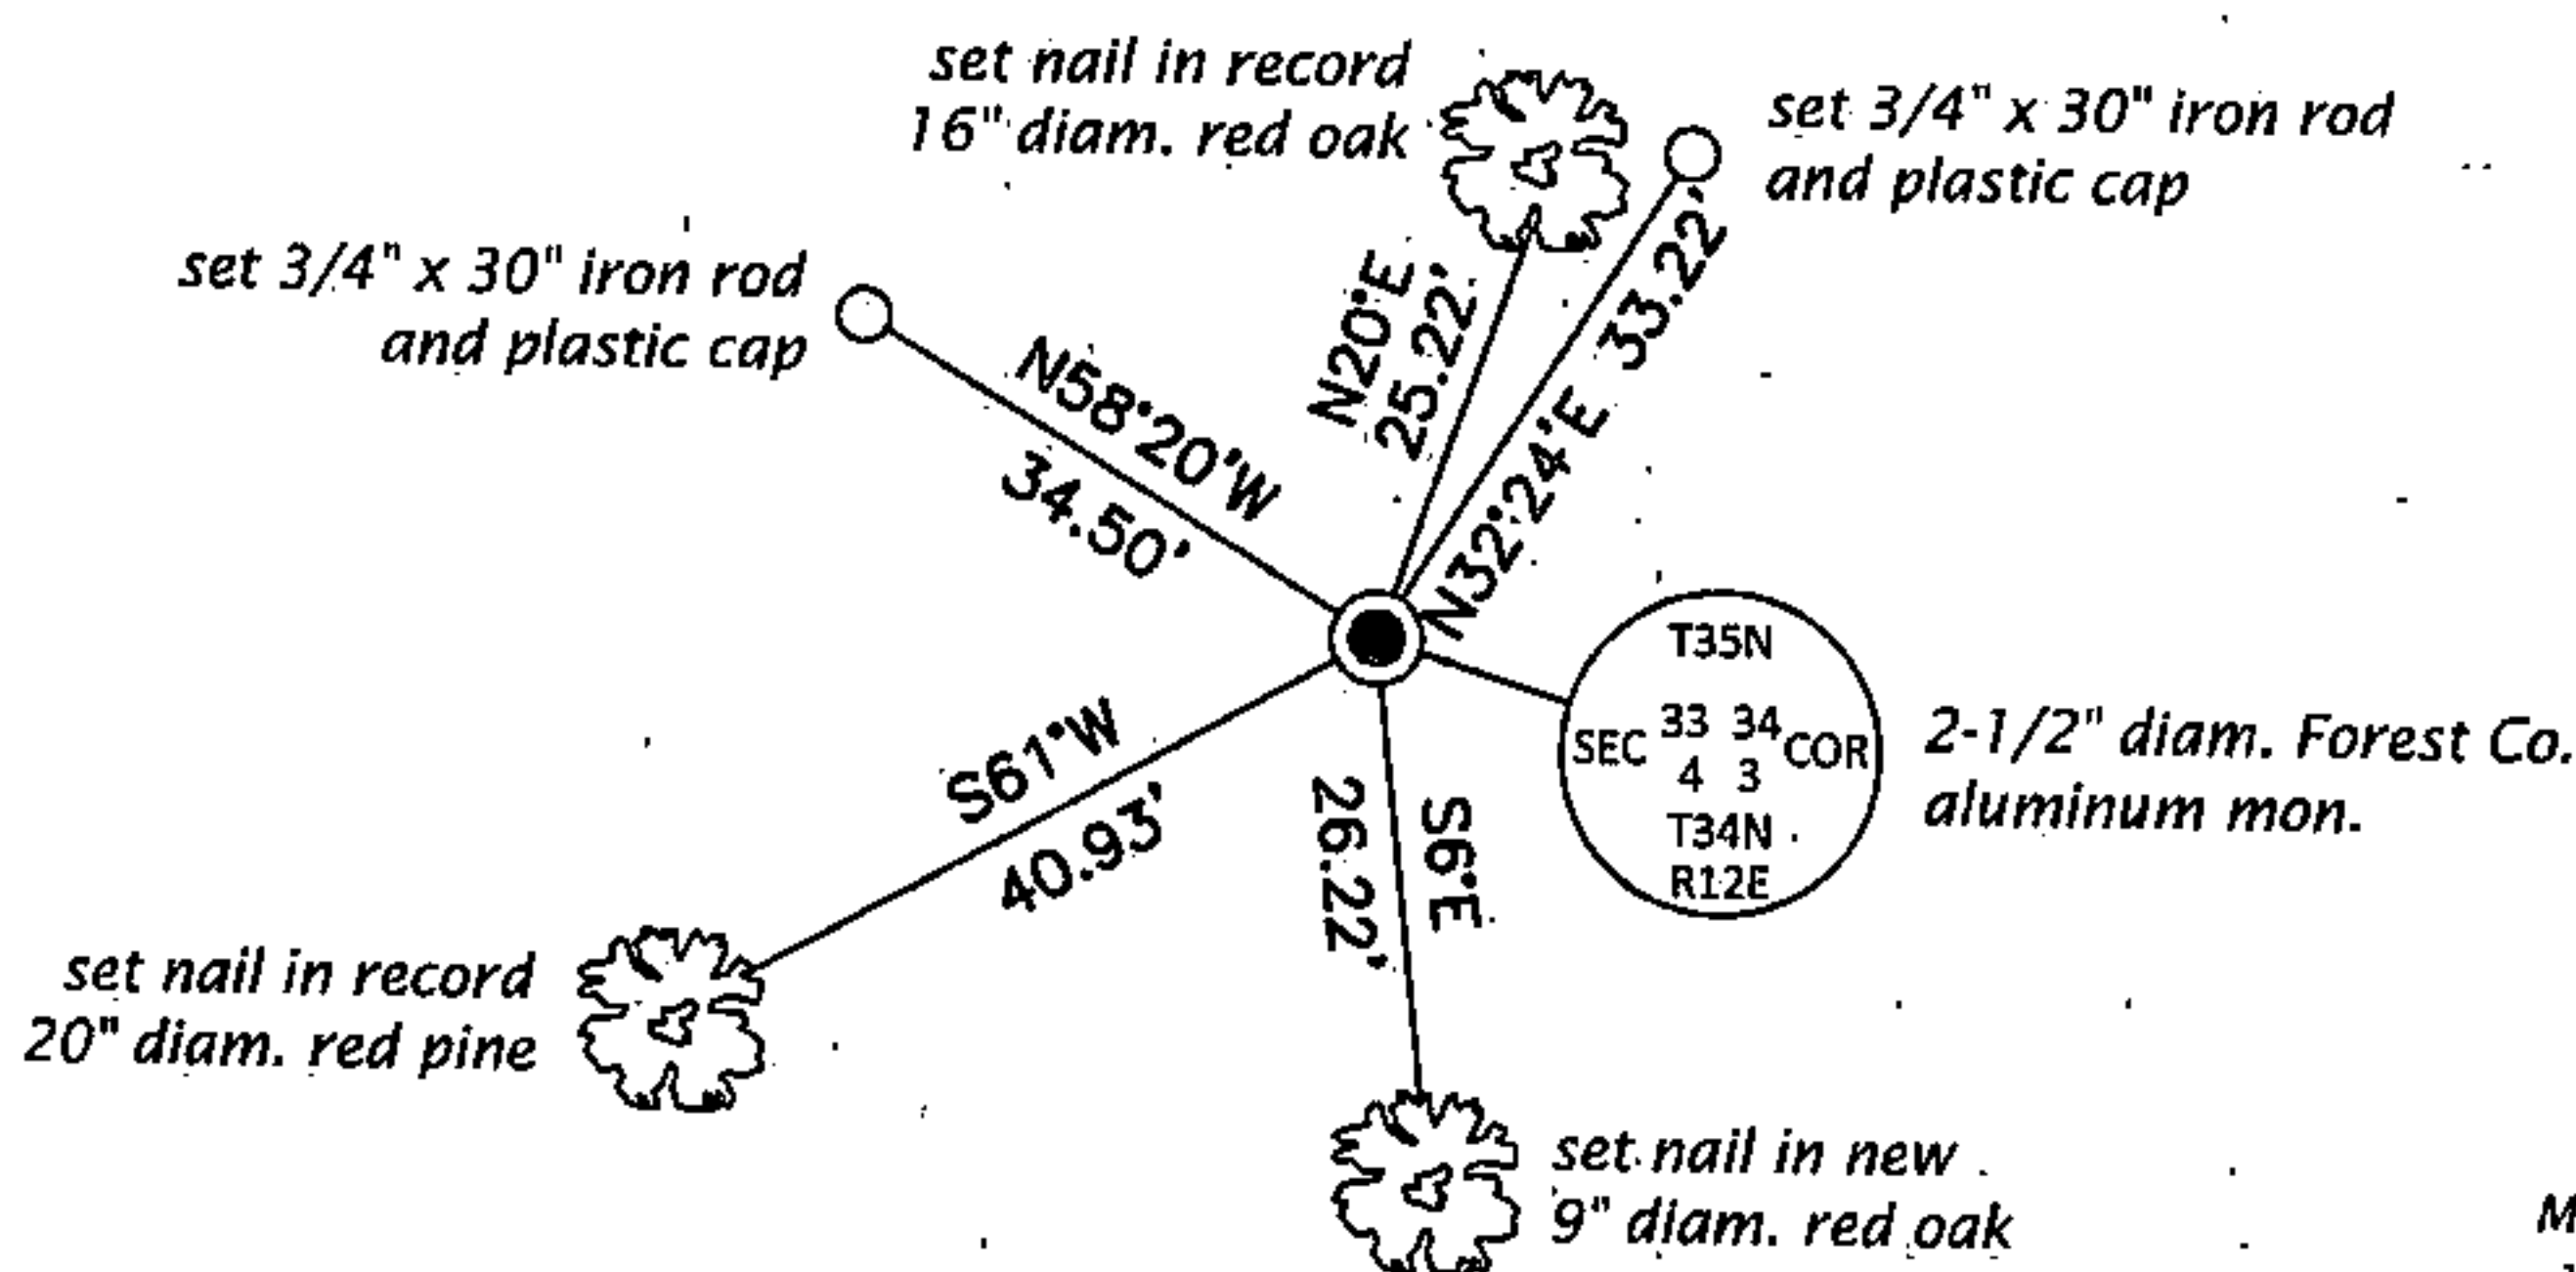

This is a perpetuation of a previous USPLS Monument Record by Thomas R. Arnott, RLS dated November 11, 1975 and filed in the office of the Forest County Register of Deeds. A complete history of the corner can be found on the previous monument record. I accept the previous location as a true and faithful perpetuation or reestablishment of the original corner location and further perpetuate it as follows.

To augment the record:

1932-1934: Survey notes by Charles W. Borth, Langlade County Surveyor Record #10317. "Flat stone with "+" on top. Could not find any original BT's. Unrecorded BT Norway stump N15°W, 40 ft. Set 3" iron pipe on W. side of stone."

October 22, 2016: I found and accepted a monument of unknown origin, a 2-1/2" diam. aluminum pipe with a 3-1/4" diam. Forest Co. aluminum cap projecting 6" above the ground surface. I set a DEEP-1 magnet adjacent to the monument. As described in the record, a 4" diam. brass-capped iron pipe bears West, 1.3 ft. The record birch and red pine at S14°W are both gone. I found or established accessories as shown below. I set a white vinyl sign post bearing North, 0.7 ft.

(c)(d)(e) Plan view of corner with ties to at least 4 witness monuments. If in disagreement with previously established corner, show the distances between the two corners and also indicate the ties to the disputed.
