U.S. PUBLIC LAND SURVEY MONUMENT RECORD

U.S State of Wisconsin
State of Wisconsin State
I John C. Schulke , do hereby certify that on the <u>Nineth</u> day of <u>November</u> , 19.86, I found evidence of the <u>South Quarter</u> corner of <u>Section 29</u>
Township Thirty Seven , North, Range Twelve East , Fourth Principal Meridian, as described hereon; and that from this evidence I established a new monument and accessories as described hereon to perpetuate the original
location of this corner.

(Register of Deeds)	

(e) Describe any material discrepancy between the location of the corner as restored or reestablished and the location of that corner as previously restored or reestablished by distance and direction. Show the discrepancy on the plan view drawing under (d), above. Show the distances between the corner as previously restored or reestablished and (1) the corner as restored or reestablished, and (2) to at least 2 of the witness monuments shown on the drawing in (d), above.

None, first corner restoration

(r) was the corner restored through acceptance of (1) an obliterated evidence location, or, (2) a found perpetuated location?

Neither, restored through lost proportionate methods.

(g&h) Was the corner reestablished through lost corner proportionate methods? If so, show the method, including the directions and distances to other public land survey corners used as evidence or used for proportioning in determining the corner location?
