

LEGEND

- ⊙ 4" iron pipe with brass cap found
- found Bernsten SN-1 nail
- 1" x 30" iron pipe set, marked with steel sign post
- ⊙ 2" alum. pipe with 3 1/4" alum. cap found
- (xxxx) 1930's re-survey data
- County Forest Boundary

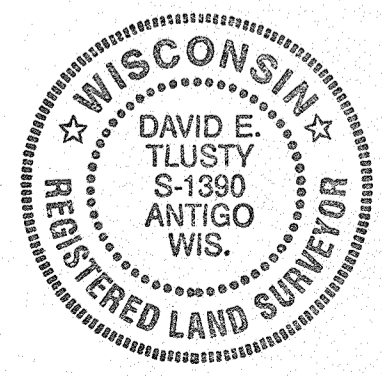

Bearings shown are in reference to the computed geodetic bearing between Langlade County Geodetic Control monuments, Kamptzer GPS PS and Kamptzer GPS Azimuth station. Corner forms for all section and quarter section corners shown hereon are on file in the County Surveyors office.

Note: Bearing trees shown are measured to an aluminum nail in a low blaze on the side of the tree. Trees have "Bearing Tree" signs facing the corner and are painted blue.

I, David E. Tlusty, Registered Land Surveyor and Langlade County Surveyor, do hereby certify that, by the direction of the Langlade County Forestry Department, I have made a survey to locate corners and lines of County Forest land as shown hereon, within Section 21, Township 33 North, Range 11 East, Langlade County, Wisconsin. The location of each section and quarter section corner shown is based on open traverse survey work with a Geodimeter total station and electronic data collection.

I further certify that this map is a true and correct representation of said survey, and that this survey is correct to the best of my knowledge and belief.

September 28, 1998
 David E. Tlusty, RLS-1390
 Langlade County Surveyor
